UUFA Annual Budget Drive

Our budget for the upcoming year generally will be status quo during the 'Expanding Our Vision' Capital Campaign. However, if you are able to increase your current pledge by 2.5%, or make a first-time pledge, your increased gift will cover rising insurance premiums, utilities, and other costs UUFA does not set, plus it will maintain current programs. By combining the Capital Campaign with the Annual Budget Drive we hope to enable you to make a more informed gift.

Please keep in mind we must keep our programs going and our building running even as we ask you to direct money towards the building project. Both are vital to the future and health of our Fellowship. Please give generously!
